Dear Sir:

In accordance with 37 C.F.R. Sections 1.56, 1.97 and 1.98, Applicants wish to call to the Examiner's attention the references identified on completed Form PTO-1449, which generally relate to the present invention. Copies of any cited foreign patents, non-patent literature, and unpublished US application documents are enclosed. Pursuant to the waiver in the Pre-OG Notice, dated July 25, 2003, copies of US patents and published US patent applications are no longer required and are not enclosed. It is respectfully requested that the Examiner initial and return the enclosed Form PTO-1449 to indicate that each reference has been considered.

U.S. Patent Nos. 6,547,101 and 6,613,021 are believed to be English equivalent for German Patent DE 201 07 507. U.S. Patent Publication No.

2004/0262332 is believed to be an English equivalent for PCT WO 03/041605. All of these documents are included on the attached 1449 form.

We believe that no fee is due for this submittal as a First Office Action on the merits has not been mailed prior to the filing of this Disclosure Statement, but in the event an Office Action has been mailed, please charge the requisite \$180.00 fee (pursuant to 37 C.F.R. §§ 1.97(c) and 1.17(p)) to Deposit Account No. 13-3723.

Applicants submit that the above references, whether taken alone or in combination with each other neither anticipate nor render obvious the present invention. Consideration of the foregoing in relation to the captioned application is respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Peter L. Olson', with a long horizontal flourish extending to the right.
